## Professional Summary

---

Detail-oriented and reliable Maintenance Mechanic with experience in warehouse operations, automotive manufacturing, and sales. Able to work efficiently in fast-paced environments and maintain a positive attitude.

Authorized to work in the US for any employer

## Work Experience

---

### **Maintenance Mechanic**

World Fuel Services-Massillon, OH

July 2024 to Present

Working as a Maintenance Mechanic for world fuel I'm responsible for fuel tank maintenance, refurbishing, and repairs. Alongside tank operations I also manage our locations shop buildings by doing product organizing via forklift, and maintaining shop cleanliness on a day to day basis.

### **CNC Machine Operator**

Schaeffler Group-Wooster, OH

February 2023 to June 2024

As a CNC machine operator at Schaeffler, I'm responsible for setting up and operating CNC machines to create automotive components. Alongside machining, I also conduct accuracy and effectiveness checks to ensure quality standards are met. I also occasionally trained new hires on the machinery they were newly assigned to.

### **Store Key Holder**

Verizon-Massillon, OH

November 2020 to February 2023

Working for Verizon I was a store key holder, managed call offs and all other daily store operations. I provided premium customer service to every customer that walked through the door and lead my customers in the right direction when they are thinking of making a new purchase. In addition, I was tech support both in person and over the phone. I was also one of the top selling employees month to month for the company during my time there.

### **Warehouse Associate**

Value City-North Canton, OH

July 2018 to April 2020

My position at value city furniture as a warehouse associate involved controlling a pick-up station for customers picking up their order. I had to maintain store cleanliness, process orders through a store terminal, lift furniture up to 150lbs, and provide great customer service.

## Education
