Perry, OH

-Email me on Indeed: <http://www.indeed.com/r/Anthony-Lacare/d5301cfe32e7ca35>

## Professional Summary

---

Graduated from Kent State University.

Experience in automotive, fabrication, electrical, etc.

I'm now looking to broaden my skill set and try something new!

Authorized to work in the US for any employer

## Work Experience

---

### Maintenance Mechanic

Zip's Garage

February 2016 to Present

Responsible for a variety of repairs on daily driver type vehicles. Experience with both hand and air/power tools such as wrenches, sockets, ratchets, grinders, welders, torches, etc. Responsible for ordering parts, customer service and billing.

### Electrical and Equipment Installer

Concord Road Equipment

February 2020 to December 2020

Responsible for installation of off the shelf kits, building wiring harnesses, power distribution panels, switches, relays etc. on 12v systems. Some experience in custom fabrication of mounts, control stands, etc. Experience in building hydraulic lines and plumbing, as well as de-icing systems. Experience with hand, power, and air tools.

### Maintenance Mechanic, Lube and Tire Tech

Convoy Tire

October 2018 to February 2019

Responsible for a variety of repairs on daily driver type vehicles. Experience with both hand and air/power tools such as wrenches, ratchets, sockets, grinders, welders, torches, etc. Experience with flat repairs and new installs on daily driver vehicles, as well as heavy equipment and semi-trucks.

Awards and Acknowledgements

- President's List/ Kent State University/ January 2017

Achieving a 4.0 GPA in my program and across the University.

Nominated for Dean's

January 2017 to January 2017

Inducted into the National Society of Collegiate Scholars, a database for other college students to meet and network for a variety of opportunities even after graduating.

### Volunteer Work at Painesville YMCA Childcare Program

Painesville YMCA Childcare Program

October 2014 to April 2015

As part of my senior course, I volunteered at the Painesville YMCA with the childcare program. The children ranged from age 2-6. I aided the children in exercise at the gym, pool time, reading and writing, meal preparation, holiday celebrations, as well as escorted them from room to room if need be. At the end of my volunteering, I was offered a paid position but declined due to a more advantageous summer job offer.
