-Email me on Indeed: <http://www.indeed.com/r/Carl-Craig-Fetterman-II/0bbd4e83a163f899>

Willing to relocate: Anywhere

Authorized to work in the US for any employer

Work Experience

Maintenance Mechanic

INCA PRESSWOOD PALLETS-Dover, NH

December 2022 to August 2024

I worked high-pressure fluid pumps pumping hydraulic water to presses, I also can weld but not certified yet and I worked on valves and hydraulic presses that formed and cured the pallets ,I also worked on all the equipment for the Woodward including forklifts in the plant.I have some experience with troubleshooting electrical breakers and relays,I am very quick to learn more new things and am a hands on learner and more then willing to give all I have to offer to have a great career and be a good employee.

Forklift Operator

Grady Rentals-Carrollton, OH

August 2017 to November 2019

1. Forklift operator.
2. Aerial Work platform operator
3. I was part of the spill control team , then moved on to be an operator for the equipment .
