Professional Summary

Organized accountable Recovery support. 3 plus years in recovery and 9 months sober. I've had a testimony of bad decisions that have lead to my sobriety. Multiple felonies from drug use recieving stolen property and trespassing. I've learned my lesson and work daily to maintain my recovery. I'm taking action in my life to get a new start with purpose and direction. I would like the opportunity to gain employment and begin working as soon as possible.
